## **U.S. SENATOR ROBERT MENENDEZ ANNOUNCES “CHILDREN’S HEALTH DAYS” ACROSS NEW JERSEY**

*Sen. Menendez partners with the New Jersey Primary  
Care Association and Federally Qualified Health Centers  
to ensure children receive vision and dental screenings and have  
access to immunizations*

**\*\*\*New Date Added\*\*\***

**New Jersey** – In what has become a yearly tradition, United States Senator Robert Menendez will host his 3<sup>rd</sup> Annual “Children’s Health Days,” an opportunity for children who are uninsured, underinsured or enrolled in Medicaid, to receive the vaccinations they need. Vision and dental screenings will also be available.

This year’s Children’s Health Days will be held on multiple days in numerous New Jersey locations during August, September, and October. Children must be accompanied by a parent or legal guardian and must bring up-to-date immunization records.
